OVERVIEW OF THE HOUSING CHOICE VOUCHER PROGRAM

WHAT IS THE HOUSING CHOICE VOUCHER PROGRAM?

The DuPage Housing Authority’s (DHA’s) Housing Choice Voucher program is a federally funded rental assistance program which allows income eligible households to rent housing on the private market. Program participants will pay between 30% to a maximum of 40% of their adjusted income for rent and utilities; DHA will pay the remaining for rent and utilities costs in a subsidy payment in accordance with program rules.

Program participants may choose to remain where they are living now or move elsewhere, providing the housing is in good condition and the owner is willing to participate in the program. Most types of rental housing is eligible for the program including single family houses, apartments, townhouses, condominiums and co-operatives. Property owners retain all normal management rights including tenant screening, rent collection, property maintenance and lease enforcement. A summary of the Housing Choice Voucher Program is provided below:

A Summary of the Housing Choice Voucher Program

• DHA selects voucher program eligible families from its waiting list or by an approved special admission to issue Housing Choice Vouchers to.

• The voucher holder searches for housing that meets program requirements.

• Property owners use their own tenant selection criteria to select tenants; DHA does not screen participant households for suitability as tenants.

• DHA ensures units are decent, safe and sanitary by conducting initial and annual inspections of participating units.

• Property owners may collect a full security deposit.

• Property Owners and their tenant sign a lease of at least 1 year which stipulates the terms of the tenancy.

• DHA and the owner sign a Housing Assistance Payment contract which assures payment of a subsidy payment to the owner on behalf of the tenant during the lease term.

WHY SHOULD I PARTICIPATE?

The primary benefit of the Housing Choice Voucher program is to provide housing to persons with low to moderate incomes. Other benefits are a “no cost to owner” option to choose from an informed pool of applicants seeking housing and the assurance that subsidy payments from DHA to the owner will be made on time.
HOW DOES THE HOUSING CHOICE VOUCHER PROCESS WORK?

There are eight steps involved in the Housing Choice Voucher process before a family is provided with housing assistance. The owner does not become involved until Step 4:

Step 1. Application
When accepting applications, a household applies to DHA for assistance and is placed on the waiting list if the household appears to meet basic eligibility qualifications. (Note: DHA's waiting list is closed for new applications at this time.)

Step 2. Eligibility Determination/ Issuance of Voucher
When DHA has Housing Choice vouchers available, it will select households from the waiting list and determine if they are eligible according to income requirements and a criminal background check. If eligible, the applicant household will be provided with a voucher and will begin their search for housing.

Step 3. Housing Search
A family may decide to stay in its current unit if the housing is in good condition, or the family may look for new housing. The household is given up to 120 days to find housing that is in decent, safe and sanitary condition and which meets rent reasonableness criteria and maximum rent levels for same or similar, unassisted units in the area.

Step 4. Tenant Selection
Once a voucher holder decides to apply for a vacancy, the household will complete any application paperwork required by the property owner. DHA does not screen voucher holders for their suitability as tenants. Property owners should conduct their own screening and follow the same non-discriminatory procedures they would use for any non-assisted applicant applying to rent their property.
Step 5. Request for Tenancy Approval

If the applicant meets the property owner's screening criteria, the property owner and prospective tenant will complete and sign the Request for Tenancy Approval (RFTA) form and attach a copy of the owner's lease. The owner will also be required to complete ownership, banking and Federal tax documents included with the RFTA form. The property owner or their prospective tenant should deliver these forms to DHA for approval.

Step 6. Housing Quality Standards Inspection

Upon receipt of the RFTA form, DHA will schedule a Housing Quality Standards (HQS) inspection to ensure the housing is in decent, safe and sanitary condition.

Step 7. Rent Determination and Contract and Lease Execution

Once the unit passes inspection and the lease is approved, DHA will determine the rent with the property owner and compute the amounts the tenant and DHA will pay. The tenant will generally pay 30% of adjusted monthly income for rent and a utility allowance called the Total Tenant Payment (TTP); DHA will pay the remaining rent and utility allowance costs via a rental subsidy in the form of a Housing Assistance Payment (HAP).

Following DHA approval and assistance payment calculation, the property owner will sign a lease with their tenant and a HAP contract with DHA. DHA then executes the HAP contract.

Step 8. HAP Contract Payments

After the HAP contracts are signed and the tenant gets possession of the unit, Housing Assistance Payments from DHA to the owner will begin.

1. Assurance of prompt payment of subsidy each month.
2. Decreased vacancy rates and delinquencies.
3. Reduced turnovers and related expenses.
4. No-cost property inspections.
5. Opportunity to upgrade property and rental structure.
6. Ready pool of motivated applicants for vacancies

**HOW DOES THE OWNER RECEIVE THE FULL CONTRACT RENT PAYMENT?**

The owner receives rent through the combination of Housing Assistance Payments from DHA and the rent paid directly by the tenant. Housing Assistance Payments make up the difference between the contract rent and what the tenant pays.

**ARE AN OWNER’S RIGHTS AND RESPONSIBILITIES CHANGED BY PARTICIPATION IN THE HOUSING CHOICE VOUCHER PROGRAM?**

The owner's rights and responsibilities are the same as those exercised in a normal tenant-owner relationship. The owner contacts the applicant's previous landlords, selects the tenant and is responsible for managing and maintaining the unit. Tenants violating their leases are subject to corrective action by the owner through
normal management, lease enforcement actions and legal processes through The DuPage County Circuit Court.

**CAN AN OWNER’S PRESENT TENANT STAY IN PLACE AND STILL GET ASSISTANCE?**

Yes, current residents may receive assistance if the tenant has received a voucher from DHA and the dwelling is in good condition. The rent, plus any utility allowance paid directly by the tenant, must meet rent reasonableness requirements.

**WHAT KIND OF HOUSING IS ELIGIBLE?**

Almost any type of rental housing from single family homes & townhomes to co-ops, condos and high-rise apartments are eligible for Housing Choice Voucher assistance.

**WHAT RENT CAN THE OWNER CHARGE?**

The owner's monthly rent, plus an allowance for any utilities paid directly by the tenant, must be comparable to rents for similar units in the neighborhood.

**IF THE OWNER'S EXPENSES INCREASE, CAN THE RENT BE ADJUSTED?**

Yes, however, the owner must submit a written request for an increase. In the voucher program, an owner may adjust the contract rent after the first year of the lease, effective at end of the lease term, with 60-days written notice. The increase is limited by rent reasonableness.

**WHO ARE THE TENANTS PARTICIPATING IN THE PROGRAM?**

Program participants include low to moderate income families and individuals whose incomes do not exceed established limits. The program assists a broad range of tenants, including moderate income working families, as well as the elderly and the disabled.

**HOW MUCH RENT DOES THE TENANT PAY?**

In the voucher program, the tenant's payment for rent and utilities may be above or below 30% of income depending upon whether the cost of the unit selected is above or below the standard established by DHA. However, the tenant may never pay less than the greater of 10% of monthly gross income or $50.

**HOW MUCH PAPERWORK IS INVOLVED?**

Very little paperwork is required of owners and most of it is completed by DHA. Once the lease, addendum and HAP contract are signed, the owner will have no regular paperwork. Annual rent adjustments, lease renewals and unit reinspections require minimal paperwork.
