Executive Director's Update

Discussed the search for the new Executive Director where the search committee received 6-12 resumes, but did not find many high caliber candidates. The committee talked about the referral from our attorney who was a Real Estate Developer, but due to potential financial issues the committee ultimately would pass on this candidate. Executive Corbett's recommendation Dorian Jenkins was a top candidate as interim and would also be able to help with the search as he has contacts from being in the industry for over 30 years. The discussion then went to Mr. Jenkins start date and fee structure with possible performance metrics.
